### **Jurisdiction**

1. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

### **Background**

3. On September 15, 2019 (the “**Petition Date**”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

4. Pursuant to Order of this Court dated April 8, 2020 [D.I. 1023], David M. Klauder was appointed as the Fee Examiner for these cases.

### **The Fee Examiner’s Retention of B & K**

5. On May 26, 2020 the Court entered the *Order Authorizing the Retention and Employment of Bielli & Klauder, LLC as Counsel to the Fee Examiner Nunc Pro Tunc to the Appointment Date* [ECF No. 1182] (the “**Retention Order**”), authorizing B&K’s retention by the Fee Examiner. The Retention Order is attached hereto as **Exhibit A** and incorporated by reference.

6. The Retention Order also authorizes the Debtors to compensate and reimburse B&K in accordance with section 330 and 331 of the Bankruptcy Code, as the case may be, and the applicable Bankruptcy Rules, Local Rules, and fee and expense guidelines and orders of the Court. Among other things, it permits B&K to render the following services:

- a. reviewing with the Fee Examiner fee applications and related invoices for compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the U.S. Trustee Guidelines, and the Local Rules and Orders of the Court;
- b. assisting the Fee Examiner in any hearings or other proceedings before the Court to consider fee applications, including, without limitation, advocating positions asserted in the reports filed by the Fee Examiner;
- c. assisting the Fee Examiner with legal issues raised by inquiries to and from the professionals retained or proposed to be retained in these cases and related adversary proceedings by the Debtors, the Creditors’ Committee, or otherwise retained with Court approval (collectively, the “Retained Professionals”) and any other professional services provider retained by the Fee Examiner;

- i. providing such other services as the Fee Examiner may request

**Compensation Paid and Its Sources**

7. All services during the Fee Period for which compensation is requested by B&K were performed for or on behalf of the Bankruptcy Estates. Additionally, B&K has not received any payment or promises of payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with matters covered by this Fee Application. A certification confirming B&K's compliance with the Fee Guidelines is annexed hereto as

**Exhibit B.**

8. To the extent that billable time or disbursement charges for services rendered or expenses incurred relate to the Fee Period but were not processed prior to the preparation of this

Fee Application, B&K reserves the right to request compensation for such services and reimbursement of such expenses in a future fee application.

**Summary of Professional Compensation and Reimbursement of Expenses Requested**

9. Attached hereto as **Exhibit C** is a chart of the number of hours expended by B&K partners, associates, law clerks and paraprofessionals during the Fee Period with respect to each of the project categories B&K established in accordance with its internal billing procedures.

10. Attached hereto as **Exhibit D** is a chart of B&K professionals and paraprofessionals, including the standard hourly rate for each attorney and paraprofessional who rendered services to the Fee Examiner in connection with these chapter 11 cases during the Fee Period and the title, hourly rate, and aggregate hours worked.

11. Attached hereto as **Exhibit E** is a summary chart explaining B&K's fee and expense calculation for the Fee Period. As set forth in the Retention Application, B&K, on behalf of itself and the Fee Examiner, is charging a monthly flat fee of \$55,000.00 for the services rendered in this case, which includes the fees incurred by the Fee Examiner and B&K including the monthly costs of data analytics software being used by the Fee Examiner, which is furnished by Legal Decoder, Inc., ("**Legal Decoder**").

12. Attached hereto as **Exhibit F** are the time records of B&K for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during the Fee Period and invoices from Legal Decoder.

13. Attached hereto as **Exhibit G** are the Customary and Comparable Compensation Disclosures for the Fee Period.

14. Attached hereto as **Exhibit H** is the Budget and Staffing Plan for the Fee Period.

### **Fee Review Status**

15. The Fee Examiner was appointed on April 8, 2020 and B&K's retention was approved May 26, 2020.

16. During the Fifth Interim Period, the Fee Examiner was tasked with reviewing the interim fee applications for twenty-five (25) Retained Professionals for a total approximate amount of \$80 million in fees and expenses.

17. The Fee Examiner and B&K, with the critical assistance of the analytic software licensed by Legal Decoder, were then able process the fee data from the 25 Retained Professionals for Interim Applications, and then began a process of issuing interim reports to the Retained Professionals on a rolling basis.

18. The Fee Examiner and B&K then discussed and consensually resolved the issues raised in the Fee Examiner's interim reports for all of the Retained Professionals leading to a consensual order [Docket No. 3603], which approved the holdback amounts for the Retained Professionals minus any consensual reductions agreed to by the Fee Examiner and the Retained Professionals.

19. The Fee Examiner and B&K, with the use of Legal Decoder software, were able to conduct their review, issue recommended reductions, resolve all issues with the Retained Professionals in an expeditious matter. Additionally, these efforts lead to a reduction of aggregate professional fees and expenses of over \$465,000.00.

### **Summary of Services Rendered**

20. The services rendered by B&K during the Fee Period can be grouped into the categories set forth below. These categories are generally described as follows:

a. BK/Fee Examiner – Retention and Fee Applications

Total Hours: 4.1

This category includes time spent regarding preparation of employment and fee applications for Bielli & Klauder, LLC.

b. Case Administration

Total Hours: 46.6

This category includes time spent regarding coordination and compliance activities, and general case review.

c. Fee/Employment Applications- Retained Professionals

Total Hours: 269.4

This category includes time spent regarding review, analysis, discussions, and negotiations regarding the fee applications for Retained Professionals.

**B&K's Requested Compensation and Reimbursement Should Be Allowed**

21. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code “reasonable compensation for actual necessary services rendered ... and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement. In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including:

- a. the time spent on such services;
- b. the rates charged for such services;
- c. whether the services were necessary to the administration of,

- or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- d. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- e. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

22. The foregoing professional services were performed by B&K in an efficient manner were necessary and appropriate to the administration of the Chapter 11 Cases, and were in the best interests of the Debtors, their estates, and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved.

23. B&K asserts that the fees it is charging for this engagement, which equals a monthly fee of \$55,000.00 are reasonable and beneficial to the bankruptcy estate. As described herein, the Fee Examiner and B&K spent considerable time during the Fee Period preparing for the significant and complex fee review in this case. In particular, the Fee Examiner and B&K, with the critical assistance of the analytic software licensed by Legal Decoder, were then able process the fee data from the 25 Retained Professionals for the Interim Applications, and then began a process of issuing interim reports to the Retained Professionals on a rolling basis. As such, B&K asserts that the fees charged for the Fee Period are necessary, reasonable, and commensurate with the work performed.

#### **Notice**

24. B&K will provide notice of this Application in accordance with the Interim Compensation Order. B&K submit that no other or further notice be given.

WHEREFORE, B&K, in connection with services rendered on behalf of the Fee Examiner, respectfully requests approval of compensation in the total amount of \$220,000.00, inclusive of any holdbacks not yet paid to B&K, for actual, necessary legal service and expenses that B&K incurred in connection with such services during the Fee Period.

FOUND AND DETERMINED THAT:

- A. The Debtors commenced voluntary cases under chapter 11 of the Bankruptcy Code on September 15, 2019 (the “Petition Date”).
- B. The Debtors are authorized to continue to operate their businesses and manage their properties as debtors in possession pursuant to Bankruptcy Code sections 1107(a) and 1108.
- C. The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure. [ECF No. 59].

- E. On November 21, 2019, the Court entered the Interim Compensation Order.
- F. Given the size and complexity of the chapter 11 cases, the United States Trustee proposed that the Court authorize the appointment of an independent Fee Examiner to review and report on as appropriate the monthly invoices submitted in accordance with the Interim Compensation Order and all interim and final applications for allowance of compensation and reimbursement of expenses filed by professionals retained under Bankruptcy Code sections 105,

327, or 1103 or similar authority or otherwise requesting compensation and/or reimbursement of expenses on an interim basis pursuant to the Interim Compensation Order (“Retained Professionals”) in accordance with Bankruptcy Code sections 327, 328, 330, and 331 and the Interim Compensation Order (collectively, the “Applications”), and the Debtors and the Official Committee have consented to such proposal on the terms set forth herein.

H. David M. Klauder of Bielli & Klauder, LLC, the proposed Fee Examiner, is a “disinterested person” as that term is defined in Bankruptcy Code section 101(14) and does not hold or represent any adverse interest to the Debtors or their estates.

IT IS HEREBY ORDERED THAT:

1. The Court hereby appoints David M. Klauder to serve as independent fee examiner (the “Fee Examiner”) in these cases, subject to the terms and conditions of this Order and of the Interim Compensation Order, as modified herein.

2. In the performance of his duties and powers as provided in this Order, the Fee Examiner shall enjoy the maximum immunity permitted by law from all manner of claims, demands, suits, or civil actions for all acts taken or omitted by him. Without limiting the foregoing, any and all claims, demands, suits, or civil actions not brought or asserted against the Fee Examiner prior to the thirtieth (30th) calendar day after entry of an order determining the last final fee Application in these cases pursuant to Bankruptcy Code section 330 shall be barred forever and discharged, and all persons and entities shall be enjoined from prosecuting such claims in any manner thereafter. No person or entity shall seek discovery from the Fee Examiner, subpoena the Fee Examiner as a witness, or commence an action against the Fee Examiner in connection with his duties or powers hereunder except in this Court and with the prior approval of this Court, which retains exclusive jurisdiction therefor.

3. The Fee Examiner may retain attorneys and other professionals, assistants, or consultants to the extent he deems it necessary to discharge his duties. The Fee Examiner’s retention of professionals shall be subject to Court approval under standards equivalent to

Bankruptcy Code section 327(a), after notice and opportunity for hearing pursuant to the Local Rules of this Court.

4. The fees and expenses of the Fee Examiner and any Court-approved attorneys and professionals shall be subject to application and review pursuant to Bankruptcy Code section 330 and shall be paid from the Debtors' estates as an expense of administration under Bankruptcy Code section 503(b)(2) and in accordance with the procedures in the Interim Compensation Order. The Fee Examiner's compensation shall not be contingent, dependent or based on any element of success or result. The Fee Examiner's fees and expenses shall be subject to the information detail requirements set forth in Local Rule 2016-1 and the applicable United States Trustee Appendix B Guidelines for Compensation.

5. Except as otherwise provided herein, the scope of the Fee Examiner's duties and responsibilities shall encompass all interim and final Applications submitted after the effective date of this Order by the Retained Professionals. Unless the Court orders otherwise, the scope of the Fee Examiner's duties and responsibilities shall not extend to (1) any requests for compensation submitted pursuant to Bankruptcy Code sections 503(b)(3) or 503(b)(4), and/or for making a substantial contribution to these chapter 11 cases, or (2) any Applications for interim compensation made pursuant to Bankruptcy Code section 331 that were filed before the effective date of this Order, provided that the Fee Examiner may review such interim applications for the purpose of performing his duties and responsibilities with regard to any final Applications for compensation and reimbursement of expenses submitted pursuant to Bankruptcy Code section 330.

6. Except as provided in Paragraph 5 above, the Fee Examiner shall review and assess all Applications filed by Retained Professionals, and the fees and reimbursement of expenses for which allowance is sought pursuant to the Applications for compliance with (1) Bankruptcy Code sections 328, 329, 330 and 331, as applicable, (2) Rule 2016 of the Federal Rules of Bankruptcy Procedure, (3) the Interim Compensation Order (as amended herein), and (4) Local Bankruptcy Rule 2016-1 and the applicable Guidelines for Compensation. The Fee Examiner is further authorized and shall have standing before the Court:

- (a) to prepare reports (as discussed in further detail below) for the Court to aid in the review and approval of interim and final fee Applications, which may include such matters as the efficiency and reasonableness of staffing and expenses and the appropriateness of any increases in hourly rates;
- (b) to require applicants for compensation to provide him such supplemental information as he may reasonably require in order to evaluate the reasonableness of any particular fee item; *provided*, however, that nothing herein shall require a Retained Professional to provide any information that would disclose privileged information, work product or anything (including potential strategies) that in the Retained Professional's reasonable discretion could be damaging or prejudicial to its clients (collectively, "Privileged Information"); *provided*, for the avoidance of doubt, that a professional's general discussion of projects and tasks without reference to confidential details shall not be considered a waiver of any privilege or discovery immunity; *provided further*, if a Retained Professional or its client does provide Privileged Information to the Fee Examiner, the Fee Examiner shall treat such information as confidential and the disclosure of such information to the Fee Examiner shall not be deemed to be a waiver by the disclosing party of any applicable work product, attorney-client, or other privilege;
- (c) to conduct such discovery as may be pertinent and necessary to the performance of his other duties and responsibilities after first securing approval of this Court, which may be granted only upon notice to all

interested parties and opportunity for hearing, and the Court retains exclusive jurisdiction over all matters relating to such discovery; and

- (d) subject to the completion of the procedures set forth in Paragraph 7 for submission of a Preliminary and Final Report (each as defined below) with respect to the applicable fees or expenses, to object to the allowance of fees or expenses sought by any Retained Professional in a fee application on the same grounds as any party in interest in this case, including based on the reasonableness standard provided in Bankruptcy Code section 330.

Notwithstanding these enumerated powers, the Fee Examiner shall have no role in evaluating or judging the legal or factual merits of any papers filed or positions taken by parties in interest or their Retained Professionals, but this restriction shall not limit the ability of the Fee Examiner to consider the factors set forth in Bankruptcy Code sections 330(a)(3)(C) and (D) in his evaluation of Applications.

7. The Fee Examiner shall review the Applications filed by each Retained Professional. To the extent practicable, the Fee Examiner shall avoid duplicative review when reviewing (1) interim fee Applications comprised of monthly fee Applications and (2) final fee Applications comprised of interim fee Applications that have already been reviewed by the Fee Examiner. After reviewing each Retained Professional's Application, the Fee Examiner may prepare a report on each Application (each, a "Preliminary Report") for which the Fee Examiner has a potential issue or objection.

- (a) The Fee Examiner shall, within fourteen (14) days after a Retained Professional files an Application (or in the case of interim fee applications filed prior to entry of this Order, 14 days following service of such interim fee applications on the Fee Examiner), serve any such Preliminary Report on the Retained Professional. The Fee Examiner's Preliminary Report shall quantify and present information relevant to whether the requested fees, disbursements, and expenses

meet the applicable standards of Bankruptcy Code section 330 and Local Rule 2016-1. These Preliminary Reports are to be treated as part of settlement discussions with the Retained Professionals and, as such, shall not be discoverable. The contents of the Preliminary Report shall be maintained in confidence by such parties (other than the United States Trustee) until such time as the Fee Examiner incorporates all or any content of the Preliminary Report into a Final Report in accordance with Paragraph 7(c) below.

- (b) The Fee Examiner shall provide the Retained Professional with a reasonable opportunity to address and resolve, to the mutual satisfaction of the Fee Examiner and the Retained Professional, any issues identified or to amend its Application in a Preliminary Report.
- (c) After a reasonable opportunity to resolve the issues identified in the Preliminary Report or amend the Application, the Fee Examiner may file a final report or objection (the “Final Report”) with the Court and note any remaining objections to the Application. The Retained Professional may file a reply to the Final Report. The Final Report shall be in a format designed to quantify and present information relevant to whether the requested fees and expenses of each Retained Professional meet the applicable standards of Bankruptcy Code section 330 and Local Rule 2016-1. The Final Report shall also inform the Court of any proposed consensual resolutions of the fee or expense reimbursement request for each Retained Professional and the basis for such proposed consensual resolution.
- (d) The Fee Examiner shall file his Final Report at least ten (10) days before the hearing date on the relevant Application and shall serve a copy on the United States Trustee, counsel to the Debtors, counsel to the Official Committee and all Retained Professionals.

8. Any of the periods set forth above may be extended with the consent of the Fee Examiner and the applicable Retained Professional, subject to the Court having sufficient time to review a Final Report before any hearing related thereto. Nothing herein shall be construed or interpreted to require the filing of Final Reports on all Applications prior to any Application and the Final Report specific thereto being considered by the Court, and the delay or adjournment of

consideration of an Application shall not affect the timing of hearings on the Applications of other Retained Professionals.

9. The Fee Examiner, the Retained Professionals, and the Debtors shall use best efforts to have undisputed portions of Applications both allowed by the Court and paid as soon as reasonably practicable, even if a Contested Amount remains disputed and subject to the procedures set forth above.

10. All Retained Professionals (including attorneys, financial advisors, auditors, and claims consultants) shall cooperate with the Fee Examiner in the discharge of the Fee Examiner's duties and shall, subject to the qualification set forth in Paragraph 6(b) above with respect to privileged matters or work product, promptly respond to any reasonable request for information from the Fee Examiner.

11. Nothing contained herein shall affect the right, if any, of any party in interest in these cases to object or otherwise respond to any interim fee Application or monthly request for compensation and reimbursement of expenses, including those of the Fee Examiner. Nothing herein shall affect any party's right to request a waiver of the requirements of Local Rule 2016-1 or the applicable Guidelines for Compensation and the requirements under Bankruptcy Code section 330, to the extent they apply. Nothing herein shall alter or modify prior orders governing the retention of professionals.

12. Any communication between the Fee Examiner (or any agent thereof) and any Application Recipient, as defined in the Interim Compensation Order, as amended by this Order (or any agent thereof) that pertains to the fees or expenses of any Retained Professional of

another Application Recipient shall be in writing and copies thereof shall be sent to the Retained Professional whose fees or expenses are the subject of such communication, at the same time and by the same means as the communication between the Fee Examiner or the Application Recipient.

13. The Application Recipients, as defined in the Interim Compensation Order, as amended by this Order, are authorized and empowered to take any and all actions necessary to implement and effectuate the terms of this Order, but only to the extent such actions are not inconsistent with the express terms of the Order.

14. The Interim Compensation Order is hereby modified as follows:

- (a) The Fee Examiner is designated as an additional Application Recipient entitled to receive monthly statements, and provide objections if appropriate, under the Compensation Procedures set forth in the Interim Compensation Order.
- (b) No later than three (3) business days after the filing of each Application, the Retained Professional shall send to the Fee Examiner via electronic mail the Application, including the fee detail containing the time entries and the expense detail ("Fee Detail") in searchable electronic format (Word, LEDES, Excel or PDF format).
- (c) A Retained Professional need not send to the Fee Examiner the electronic-formatted Fee Detail for any (i) Interim Fee Application if such Retained Professional has previously submitted the relevant Fee Detail with the applicable Monthly Fee Statement or otherwise or (ii) final fee Application if such Retained Professional has previously submitted the relevant Fee Detail with the applicable Interim Fee Application or otherwise. If any Retained Professional cannot reasonably convert its Fee Detail to the electronic format described above, the Fee Examiner will work with such Retained Professional to find an appropriate electronic format.

12. All previously filed Applications and related Fee Details shall be provided to the Fee Examiner by each Retained Professional within 20 days of entry of this Order. All previously filed Applications, all future Applications, and all other documents, notices or pleadings required to be sent to or served upon any Application Recipient under the Interim Compensation Order on and after the date hereof shall be served upon the Fee Examiner at the following address: David M. Klauder, Esq., Bielli & Klauder, LLC, 1204 N. King Street, Wilmington, Delaware 19801, Fax: (302) 397-2557; Email: dklauder@bk-legal.com.<sup>2</sup>

13. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry and shall remain in effect unless and until the Court orders otherwise.

14. The Court retains jurisdiction to enforce, modify or vacate this Order after hearing upon not less than fourteen (14) days' notice to the Fee Examiner, the Debtors, the Official Committee, the Ad Hoc Committee and the United States Trustee. Notwithstanding any provisions of this Order to the contrary, the Court retains ultimate authority to determine whether fees and expenses requested by any Retained Professional or the Fee Examiner are necessary and reasonable and otherwise allowable under Bankruptcy Code section 330.

The Application covers the period June 1, 2021 through September 30, 2021 (the “**Fee Period**”).

3. To the best of my knowledge, information and belief, the statements contained in the foregoing Application are true and accurate in all material respects and comply with the Fee Guidelines in material part. B&K responds to the questions identified in the U.S. Trustee Guidelines as follows:

Question 1: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Answer: Yes. The monthly rate structure as set forth herein is different than B&K’s customary billing arrangements for similar engagements, however the monthly rate structure is necessitated by the significant size and complexity of the fee review in this case.

Question 2: If the fees sought in the Application as compared to the fees budgeted for the time period covered by the Application are higher by 10% or more, did you discuss the reasons for the

variation with the client?

Answer: B&K has provided the client with the actual amount of fees incurred on a monthly basis and engages in ongoing discussions with the client regarding fees and expenses generally but did not prepare an itemized budget for the Fee Period.

Question 3: Have any of the professionals included in the Application varied their hourly rate based on geographic location of the bankruptcy case?

Answer: As disclosed in the Retention Application, no.

Question 4: Does the Application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices?

Answer: No.

Question 5: Does the Application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify hours and fees.

Answer: No.

Question 6: Did the Application include any rate increases since retention in these cases:

Answer: No.

Question 7: Did the client agree when retaining B&K to accept all future rate increases? If not, did B&K inform the client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: The client was informed regarding B&K's rates and future rate increases as part of its approval of B&K's retention application.
